Ahlström Capital joins the UN Global Compact initiative

In June 2018, Ahlström Capital Group committed to the United Nations ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. The world's largest corporate initiative has over 9,000 business and non-business participants in 135 countries.

As a family-owned investment company with a mission to create sustainable, long-term shareholder value growth we are dedicated to ethical and responsible business practices in all our operations. Joining UN Global Compact is an important step forward in our sustainability work and through this commitment we express our intent to advance the ten principles within our sphere of influence. We are committed to making the Global Compact and its principles part of our culture and our ownership model.
