Ahlström Capital donates 25 000 euros to Arcada and 20 000 euros to Cancer Foundation Finland

Ahlström Capital donates 25 000 to Arcada University of Applied Sciences in order to support Finnish education. The donation will be taken into account in the government's co-funding to match the funds that universities of applied sciences raise during 2018.

“With this donation, Ahlström Capital wants to support Arcada's preconditions to offer education in several different subjects also in the future. It is also important to offer high quality education in Swedish at universities of applied sciences in the metropolitan area”, says Ahlström Capital's Interim President & CEO Pasi Koota.

Additionally, Ahlström Capital donates 20 000 euros to Cancer Foundation Finland's jubilee year collection. With the funds donated the foundation finances Finnish cancer research, promotes the prevention of cancer and supports those who are ill and their nearests.
